Some campers prefer to send their belongings ahead of them, rather than travel with them. You may send packages to Medomak Camp by U.S. Mail or Federal Express and we will be happy to receive them and ship them out after your stay. Our mailing address is listed above, page and we are well known by both services. Because this is a rural area please allow 10 days for your package to arrive.

The Camp has boating equipment, life jackets, and fishing rods available for your use.
